```

```
<body>
```

```
<h1>MY SECOND ACTIVITY</h1><bl>
```

```
<h3>GOOD DAY! LET'S TRY THE HTML PRACTICE</h3><bl>
```

```
<h1>PURE TUBER</h2><bl><bl>
```

```
<p>Pure tuber kasi maganda ito lalo na sa mga mahilig mag patugtog. At pwede nyo rin itong i back habang gumagamit ng ibang apps. Patuloy padin syang tutugtog. At ang maganda pa dito wala syang ads. Bagay to sa mga taong ayaw sa ads pag nagpapatugtog or nanonood.</p><bl><bl>
```

```
<h1>GOOGLE</h1><bl><bl>
```

```
<p>Google kasi malaking bagay ito lalo na sa mga student katulad ko. Kasi dito ka makakakuha ng mga information about sa topic nyo. At sa mga hindi mo masyadong maintindihan pwede mo i search nalang ganon. At pwede karin dito kumuha ng mga image na need mo. At pwede karin dito makapag Facebook, YouTube, Instagram, Twitter etc.</p><bl><bl>
```

```
<h1>INSTAGRAM</h1><bl><bl>
```

<p>Instagram kasi mahilig ako mag picture then dito ko sya pinopost. Maganda sya gamitin kasi kahit i follow mo lang yung favorite artist mo makikita muna mga post nila. At magaganda din yung mga filter sa Instagram. Kaya pang Instagramable talaga mga pics mo. Pwede karin dito mag story at may messenger din ang Instagram.</p><bl><bl>

<h1>YOUTUBE</h1><bl><bl>

<p>YouTube kasi dito makakanood ka ng ibat ibang videos. Pwede morin i search yung mga gusto mong panoodin. At pwede muna din dito mapanood mga favorite artist mo ganon. Makakatulong din ito sa pag-aaral mo dahil pwede mo narin i search dito yung mga hindi mo naintindihan or gusto mo pang malaman about sa topic nyo. At dito mo din mapapanood mga favorite vlogger mo.</p><bl><bl>

<h1>FACEBOOK</h1><bl><bl>

<p>Facebook kasi halos lahat tayo ay gumagamit nito. Pwede karin manood dito sa Facebook. At may market place nadin dito pwede kang bumili dito ng mga cp, laptop,gamit sa bahay etc. At syempre mahalaga din ito sa atin dahil kasama nadin dito ang messenger. Kung saan nan dito ang mga information natin about sa school etc.</p><bl><bl>
